USED PERAZZI TRAP SHOTGUNS

**WE ARE A FACTORY AUTHORIZED PERAZZI SHOTGUN
DEALER.**

Perazzi Trap shotguns have been the standard of excellence in both American and Olympic trap for over 40 years. The Perazzi legacy began with the TM and MX 8 models and continues today on the same basic frame. New improved methods of manufacturing have been introduced but the final details of hand-finishing result in what many believe is the finest competition shotgun ever made.
